## 2010 BAROSSA VALLEY SHIRAZ CABERNET

*Our Gold Series wines have been passionately handcrafted to produce wine of superb structure, dimension, complexity and balance.*

Lavina Wines sourced and vinified the Shiraz and Cabernet Sauvignon from select vineyards planted in the Barossa Valley's world renowned 'terroir'. The 2010 vintage was extremely low yielding, producing grapes with fantastic colour and concentration, both of which are reflected in the finished wine.
