

GOLD SERIES

2008 CABERNET SAUVIGNON

The Gold Series wines have been passionately handcrafted to produce wines of superb structure, dimension, complexity and balance.

.....

Meticulously blended using modern Australian Winemaking techniques, these wines display uplifting regional flavours, layered complexity with a soft approachable finish. Discover the enriched flavours when consumed with your favourite cuisine or appreciate our Gold Series Shiraz Cabernet on its own.

Region

South Australia

Colour

Deep red with a garnet hue

Nose

An array of violets, cassis, blueberries and briar bush with lifted notes of mint and white pepper.

Palate

A complex palate of dark berry fruits, cassis and currant are intermingled with dark chocolate and further complemented with French Oak and savoury fruit tannins.

Serving and Cellaring

This wine will drink superbly now or will cellar for 8 years for the patient. Decanting is recommended to enhance the complexity of the wine.
